

AUDA StreetScape Update November 23, 2011

CONSTRUCTION PROJECT UPDATE

From November 23rd–30th, please anticipate construction work to continue between Elder's Station & Pine Street on Lincoln Way. Construction work will not take place on Thursday & Friday November 24th & 25th due to the holidays. Hansen Brothers will be working on various construction contract close out items.

AT&T is working on the switch over from overhead to underground utilities this week. Wave Broadband is working on their transition from overhead to underground utilities and is on schedule to be complete on December 2nd. Once all the overhead utilities are transitioned to underground, PG&E will remove the poles and Hemington Landscape will begin planting.

Please anticipate some delays on Lincoln Way. We regret this inconvenience and ask our residents, businesses and visitors to be patient and considerate during the project. The construction will occur over the next month.

Please remember that businesses are open during construction and there is public parking located on Lincoln Way near Elder's, near Depoe Bay and off E. Placer St.

AUDA BOARD OF DIRECTORS

Chairperson	William Kirby
Vice-Chair	Keith Nesbitt
Board member	Bridget Powers
Board member	Kevin Hanley
Board member	Mike Holmes
